What is interesting is the family names that are most common in the genealogy register of the two ancestors. The name Christoffel Johannes appears 59 times in the genealogy of Jan. At this moment we have three Vermeulens with the birth names Christoffel Johannes as members of the Bond namely Christo from Pretoria, Stoffel our committee member and Stoffel from De Aar. Then we also have two more members named Christiaan Jacobus of the Strand and from Caledon respectively which means that we have 5 members with the initials CJ and who are all descendants of Jan. Christoffel Johannes <17>J from Awila near Gansbaai, was the eldest Christoffel Johannes and all the descendants of Jan had him as ancestor.

Johannes Urbanus Vermeulen<1461>J, who expanded the family of Jan Willemsz extremely well. He holds the record of the Vermeulen with the most children namely 26 and were married three times.

Johannes Petrus Hendricus Vermeulen<35>J grandson of Christoffel Johannes <17>J
